2 v.

3 Jose LEON-Ponce

4  
5 STATEMENT OF FACTS

6 The complainant states that this complaint is based upon statements in the investigative  
7 reports by the apprehending officer, Border Patrol Agent M. Valdez that on December 4, 2007,  
8 the defendant Jose LEON-Ponce, a native and citizen of Mexico was apprehended near Calexico,  
9 California, as the driver of a brown 1992 Chevrolet Suburban bearing California license,  
10 5YVJ191, as he smuggled 27 undocumented aliens in violation of law.

11 At approximately 04:50 a.m., the Calexico Border Patrol Station Remote Video  
12 Surveillance System (RVSS) camera operators advised agents that an SUV was starting to  
13 slowly drive north into the United States through the Imperial Sand Dunes and had reached the  
14 vehicle barriers, which are located south of Interstate 8. The RVSS Operators advised agents  
15 that 25 individuals were entering another full size sport utility vehicle which had pulled over on  
16 the side of Interstate 8. Once all of the individuals were in the vehicle the vehicle began to drive  
17 eastbound on Interstate 8. Shortly the vehicle made a U-Turn in the median and then began to  
18 travel westbound on Interstate 8.

19 BPA Valdez encountered a vehicle that matched the description of the vehicle that RVSS  
20 Operators had seen make a U-Turn in the median. BPA Valdez was unable to run vehicle  
21 records checks on the Blue SUV because there was an object obscuring his view of the license  
22 plate. BPA Valdez was able to drive next to the vehicle and noticed an older gray haired  
23 gentleman, later identified as Jose LEON-Ponce, wearing a blue shirt driving the vehicle. The  
24 Blue SUV slowed by 10 miles per hour and then began to pick up speed. BPA Valdez attempted  
25 to perform a vehicle stop on the SUV by activating his emergency lights and siren. The vehicle  
26 failed to yield to his emergency lights and siren. After following the vehicle for approximately 2  
27 miles, a Controlled Tire Deflation Device was successfully deployed against the vehicle.  
28  
29

After driving approximately a quarter mile with a deflated tire the vehicle stopped. BPA Valdez immediately approached the driver's side and saw Jose LEON-Ponce sitting in the drivers' seat. BPA Valdez also saw numerous other individuals in the vehicle. BPA Valdez identified himself as a United States Border Patrol Agent and questioned all the individuals as to their immigration status to be in the United States. BPA Valdez determined that all of the individuals are citizens and nationals of Mexico illegally in the United States. LEON and the other 27 individuals were placed under arrest.

LEON was read his rights as per Miranda at 07:06 a.m. by BPA Diaz and witnessed by SBPA Scariano. LEON stated he is a citizen of Mexico illegally in the United States. LEON stated that he entered the United States illegally as a passenger in a vehicle drove into the United States from Mexico. LEON stated he and 27 other individuals entered a suburban and drove to the desert. LEON stated as the vehicle drove towards the desert one of the smugglers asked the 28 individuals if anyone was willing to drive to Brawley. The smuggler stated who ever volunteered to drive would not have to pay a smuggling fee. LEON volunteered to drive a vehicle to Brawley, California. LEON stated he told the smuggler at one point that he saw emergency lights behind him. The smuggler on the phone told him not to stop, to keep going. LEON stated he felt one of the tires on the vehicle go flat so he decided to stop.

Material Witnesses Narciso VIDAL-Campos, Jesus CABRERA-Lopez and Saul MENDEZ-Morales stated they are citizens of Mexico illegally in the United States. MENDEZ stated a friend made arrangements for him to be smuggled to Los Angeles illegally into the United States for a fee of \$2,000. CABRERA stated his family made arrangements for him to be smuggled into the United States for a fee of \$1,000. MENDEZ stated he made arrangements to be smuggled into the United States for a fee of \$2,000.

The complainant states that the names of the Material Witnesses are as follows:

<u>NAME</u>	<u>PLACE OF BIRTH</u>
Narciso VIDAL-Campos	Mexico
Jesus CABRERA-Lopez	Mexico
Saul MENDEZ-Morales	Mexico

JPM

1 Further, complainant states that Narciso VIDAL-Campos, Jesus CABRERA-Lopez and  
2 Saul MENDEZ-Morales are citizens of a country other than the United States; that said aliens  
3 have admitted that they are deportable; that their testimony is material, that it is impracticable to  
4 secure their attendance at the trial by subpoena; and they are material witnesses in relation to this  
5 criminal charge and should be held or admitted to bail pursuant to Title 18, United States Code,  
6 Section 3144.
